

©hmzran

The diagram is a black and white schematic of a complex mechanical or electrical assembly. It features a large, irregular frame with various internal components. In the upper left, there is a rectangular block with a horizontal bar extending from it. A central vertical assembly consists of several rectangular and circular elements connected by lines. To the right, there is a large, irregular shape with a complex internal structure. Numerous small dots are scattered throughout the structure, likely representing fasteners or connection points. The text '©hmzran' is located in the upper left corner.
